- **Durable and Reliable:** UV infused, fade-resistant plastic with salt-resistant SCT motor
- **2 Year Warranty**

Product Model	SKC-SCOUT
Area Capability	1070 sq/ft Approx 24 x 44
Power	Dual Solar + Battery
Filtering Density	450 um
Speed Selection	Standard & Fast
Movement Speed	16" - 32" ft./minute
Swimming Pool Water Temperature	50°F-95°F
Charge Time	2-3 hours
Size	21"x18"x7"
Battery Capacity	5000 mAh
Storage Temperature	-4°F~113°F

Smart Phone App

- Full Control
- Dual Mode: Standard & Sport
- Solar Charging info
- Battery status info
- Alarm if rolling brush blocked
- IOS & Android Apps

UV & SALT RESISTANT
Long lasting reliability using quality materials

RECHARGEABLE
Chargeable option for long periods of cloudy weather.
